**Additional Comments**
Community Policies

Do they provide a thorough assessment before admission?  

What types of care are they not able to provide? How do they transition residents from memory care to skilled nursing?

How often do they update families about resident well-being?

Do you understand their policy for handling a medical emergency?

Do you understand how the fee structure works? Is there one flat fee, or separate fees for housing and care?

Do you understand the discharge policy?

Your Gut Check

Does the staff appear to be knowledgeable and caring?

Do residents have free access to outdoor areas?

Is the community easy to navigate?

Does their philosophy of care resonate with you?
